FSAE Discount Application

1520 S. Sylvania Ave, Suite 316 | Sturtevant, WI 53177 | Phone: (414) 526-7017 | Email: sales@corsa-technic.com

General Terms and Conditions

- Although most items in our catalog will qualify for the Corsa Technic FSAE Discount, we reserve the right to use our discretion when it comes to whether or not specific items are included in the program. You will be notified before your order is processed if it includes items that do not qualify for the discount, in order to allow you to remove said item from the order if you choose to do so.
- We consider our discount program a type of sponsorship for any team that orders from us. Although it is not a traditional sponsorship donation, we do ask that our logo be displayed somewhere on your vehicle in exchange for the discount we offer. We will provide your team with stickers in your shipment and will also send our logo in electronic format for teams that prefer to make your own vinyl stickers.
- It is the Formula SAE team's responsibility to ensure an updated application is on file with Corsa Technic for each season. Corsa Technic is not responsible for delays in processing orders and/or refunds because of outdated or incorrect information on file. It is recommended that the team sends in a new application at the beginning of each new season to reflect the most current information.
- Orders placed by individuals NOT listed as "Authorized Purchasers" for the team will NOT qualify for Corsa Technic's FSAE Discount. Changes to the list of individuals will require a new application (and new approval) before a discount will be approved.
- Corsa Technic sends invoices electronically unless otherwise requested. Paper invoices will be included with the shipment, but may not reflect the FSAE discount if the order is processed via the website (see "How to Place Orders" on page 3). Teams are responsible for updating any electronic or physical addresses when necessary.
- Corsa Technic reserves the right to discontinue or change the terms of the FSAE discount program (including but not limited to the discount percentage and inclusion of specific catalog items) at any time, without notification. Each order will be subject to the terms of the program as of the date the order is processed, and it is the team's responsibility to remain knowledgeable about said terms. The most current discount information will always be available on the website's program information page: http://www.corsa-technic.com/content.php?content_id=1007. Any additional questions should be sent to sales@corsa-technic.com before placing the order.
- In addition to our standard discount sponsorship, we are happy to work with your team to provide additional marketing material (i.e. Corsa Technic banners, extra business cards/stickers, etc.) if requested.
- We would also be happy to "friend" you on social media so we can see your team's progress throughout the season, although this is not mandatory in order to receive the discount. Corsa Technic is proud to be a partner to schools participating in the Formula SAE competition and truly enjoys watching your project take shape, and we look forward to being a resource for your team at any point in the process.

How to Place Orders

Once your application is approved, you will be able to place as many orders as you like during the season. All qualifying orders will receive the current Corsa Technic FSAE Discount. Any person listed on the application may place an order one of two ways once your team's application has been submitted and approved:

1. WEBSITE

**In order to expedite your ordering process, it is recommended that orders are placed via the Corsa Technic website. This ensures you provide all the necessary information and will allow for your order to be processed and shipped ASAP.

- A. Fill your shopping cart on the Corsa Technic website: www.Corsa-Technic.com
- B. During checkout, leave a comment that you are "with the _____ FSAE team" so that Corsa Technic employees will know to verify the order and apply the discount. Note that you will be placing the order online, so the full payment will be required up front.
- C. Orders will ship per standard Corsa Technic policy typically within 1 business day.
- D. FSAE discount will be refunded to the original method of payment as soon as the account information can be verified (usually within a few days of your order, but can vary based on your funding method and financial institutions).
- E. An "updated" invoice (reflecting the discount) will be emailed to the address on your application when the refund is processed.

2. VIA EMAIL

**If you prefer to have the discount applied <u>before</u> payment is submitted, the order must be done with a Corsa Technic representative directly. In most cases, this takes 1-3 days to finalize, based on our availability to answer your emails and the quickness of your team's responses.

- A. Send the list of items you want to order to sales@corsa-technic.com. Be sure to include shipping information, colors, terminal/seal sizes and quantities. You can also fill your online shopping cart on the site and send a screenshot of the cart this will ensure you include all necessary information and help to avoid delays because of emails back and forth to clarify what you need.
- B. A Corsa Technic representative will review your email and correspond with the team representative to collect all necessary information. They will also verify your team application to ensure the order will qualify for the Corsa Technic FSAE Discount.
- C. When all necessary information is verified/collected, the Corsa Technic representative will put together an invoice which will include the discount. This invoice will be send back to you for review and payment.
- D. Orders will ship as soon as payment is received.
